Room 16 Update:

Reading: We are going to be reading about events and people. Your child should have brought home a Biography Book Report Assignment and Poster yesterday. I have pulled some biographies that we have in our classroom for students to read. I have tried to encourage them to read about someone that is new to them.

Writing: Students have been working hard at writing opinion pieces about various topics. We are now looking at texts and learning to write response pieces.

Math: We continue to work on Fractions. We will learn to identify, read, and write fractions as part of a whole and as part of a group. Next, we move into comparing fractions.

Social Studies: We will be moving into our local history, from Santa Clara County. On March 21, we will be taking our first field trip to the Sunnyvale Heritage Museum to learn more about the history of Sunnyvale. A link to the permission slip should have been sent via Permission Click.
