Hello Room 16 Families,

It is hard to believe that we are in the home stretch. We are keeping ourselves busy even though the last day is quickly approaching.

Tomorrow is a schoolwide pizza party! We're excited to announce that to celebrate achieving our school-wide goals and earning positive behaviors, we will have a cheese pizza party for everyone on Friday, May 31! All students and staff will enjoy pizza for lunch, along with the option of school meals or home lunch.

Here is your curriculum update:

Language Arts: We continue to read, listen, and write fairy tales. I can't wait for them kids to share their stories with classmates.

Math: We have been focusing on quadrilaterals, plane figures, and classifying shapes.

Social Studies: We continue to work on our Economics unit. We have been focusing on consumer and producers. Also, we were producers and painted some rocks for the "Kindness Rocks" project. We hope to place them around school.

Science: We looked at "Why do plants give us fruit?" We examined various produce items and predicted if each item is a "science fruit" or "science vegetable." We looked at potatoes, tomatoes, cucumbers, radishes, and celery. We took a closer look at the produce and searched for seeds. Some enjoyed them as an afternoon snack.

Other News:

Field Day: (8:30am-12:00pm) and Lunch on the Lawn (12:00-1:00pm) are happening on Friday, June 7th! We still need a few more volunteers for Field Day to make this event a success. This will be a fun-filled day of outdoor games for the entire school - you don't want to miss this! It's easy to sign-up! Volunteer for Field Day through Konstella. You will need to log into your Konstella account to complete sign-up.) Please note that Field Day is not a spectator event. Parents should volunteer to help if they would like to see the activities.
