

Valentine's Day 2024

Dear Parents,

As you know, Valentine's Day is quickly approaching, and we will be having a class party on Valentine's Day. Students will be able to pass out Valentines to their classmates. I am attaching a class list for you to utilize. Of course, passing out Valentines is entirely optional. The only rule is that if a student decides to pass out Valentines, it should be for the entire class, as this will alleviate any hurt feelings.
